WHO WE ARE

We are a full-service providing company that is committed to providing quality services and products at all times to our clients.

We specialize in; Graphic design, Printing, Branding and Supply of Corporate promotional items. Our approach to any work involves due diligence, professionalism and a box of full creativity to ensure the end products meet our clients' expectations. We also ensure that any work is delivered on time even under tight deadlines.

Our prices are very competitive and we guide/advice where necessary.

Below are some of our services:

Indoor/Outdoor signage

Office branding

Graphic design (Logos, Banners, Brochures, Flyers, Calendars etc...)

Digital printing

Supply and branding of Promotional Items

Fabric branding (T-shirts, Hoods, Corporate uniforms among others.

OUR MISSION

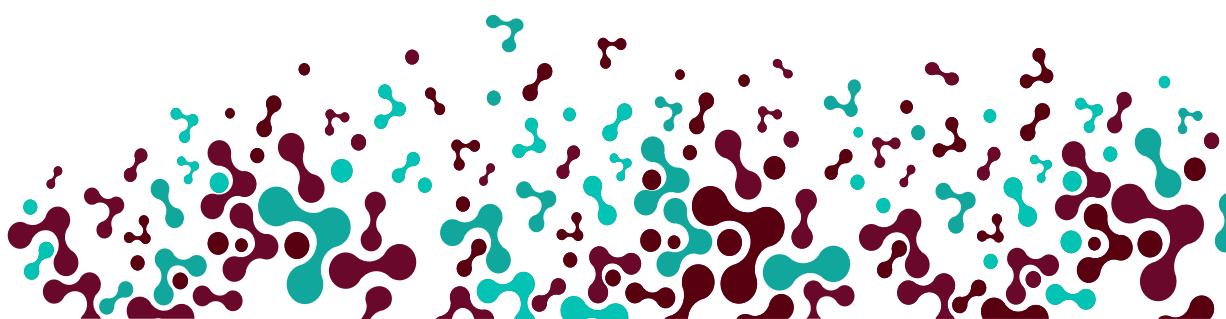

To exceed our clients expectations in every job/project with superior quality, service and value. We believe in giving individual attention to each of our client with professionalism and building a solid and lasting relationship based on trust and satisfaction.

OUR VISION

To provide exceptional services and be the preferred choice not only in printing industry but across all industries.

We aim at bringing outstanding results that count in everything that we do.

Concept development & design

We have an in-house design with professional designers who have vast experience in developing new concepts and improving existing ones.

We brainstorm on a design first before putting it on paper and then make a draft before conceptualizing it. We also do research on the target audience and client's expectations before presenting a final draft for deliberation with the client

Production & Delivery

All levels of production right from the beginning till the final product is ready for delivery, is handled with utmost care to achieve the best quality.

We assure you a good working relationship, excellent delivery time and GOOD PRICES
